ADE: Heat Networks - Parliamentary Reception

200 attendees | Senior political figures | Report Launches

Our Heat Networks parliamentary reception is a staple of ADE's calendar and one of the most popular events in the sector across Great Britain. This event offers a fantastic opportunity to not only network with the entire membership but also get our advocacy priorities front and centre with influential MPs and key political figures.

ADE: Heat Networks' Parliamentary Reception focuses on platforming the importance of heat networks as a low-carbon technology to debarnising heat at a low-cost to end consumers.

The event includes drinks and canapes in the Terrace Pavilion of the House of Commons.

Included in sponsorship packages (subject to price):

- Keynote address
- Exclusive branding for the event including banners
- Opportunity to publish an op-ed alongside ADE
- Inclusion in all promotional materials
- Opportunity to host follow-up parliamentary roundtable with key stakeholders
- Opportunity to organise a site visit within 6-12 months

From £6,500 - £16,000 + VAT

ADE: Demand - Parliamentary Reception

200 attendees | Senior political figures | Report Launches

Our Demand parliamentary reception is one of our flagship events, featuring organisations focused on domestic, commercial and industrial demand. This includes companies that are involved in the supply, smart solutions and flexibility provision. This event offers a fantastic opportunity to not only network with the entire membership but also get our advocacy priorities front and centre with influential MPs and key political figures.

ADE: Demand's Parliamentary Reception brings industry together to ensure MPs and Government give demand equal consideration to generation. We want to ensure every household, commercial business and industrial site has a commercially viable path to decarbonisation. The event includes drinks and canapes in the Terrace Pavilion of the House of Commons.

Included in sponsorship packages (subject to price):

- Keynote address
- Exclusive branding for the event including banners
- Opportunity to publish an op-ed alongside ADE
- Inclusion in all promotional materials
- Opportunity to host follow-up parliamentary roundtable with key stakeholders
- Opportunity to organise a site visit within 6-12 months

From £6,500 - £16,000 + VAT

Awards Dinner (Ceremony & Party)

350 attendees | Industry Leaders | £8,000 - £30,000 + VAT

Our awards dinner brings together the entire sector to celebrate the achievements of the past year. The event includes a drinks reception followed by high-level headline speakers, including senior industry leaders and political figures. This is followed by an awards ceremony and dinner. We also have the option for an after party.

Headline Awards Ceremony & Dinner Sponsor | £30,000 + VAT

- Keynote address
- Includes a VIP table at the dinner
- Exclusive branding for the awards ceremony & dinner
- Opportunity to publish an op-ed alongside ADE
- Inclusion in all promotional materials including on ADE website and social media

After Party Sponsor | £8,000 + VAT

- Exclusive branding at the after party
- 2 x free tickets to attend
- Inclusion in all promotional materials including ADE website and social media

Awards Dinner (Drinks Reception & Individual Awards)

350 attendees | Industry Leaders | £1,500 - £15,000 + VAT

Drinks Reception Sponsor | £4,000 + VAT

- Exclusive branding at the pre-dinner drinks reception
- 1 x free ticket to attend
- Inclusion in all promotional materials including on ADE website and social media

Individual Awards Sponsor | £2,000 + VAT

- Branding included as part of one award presentation
- Choice of three awards (Heat Networks, Demand, Leadership in Diversity)
- Inclusion in all promotional materials including ADE website and social media

Showcasing Innovation Report Sponsor | £2,000 + VAT

- 1 x free ticket to attend
- Branding included as part of report design
- Inclusion in all promotional materials including ADE website and social media

Vice President's Dinner

35 attendees | Industry Leaders & ADE Vice Presidents | £5,000 + VAT

Our Vice Presidents' Dinner is reserved for our strategic and executive members alongside our 30+ Vice Presidents. These include influential Labour MPs such as Bill Esterson MP, Chair of the ESNZ Committee and Polly Billington MP, Chair of PRASEG

This event offers a collaborative, intimate dinner alongside our MP Vice Presidents as well as the opportunity to catch up with your fellow industry leaders.

Included in sponsorship:

- Keynote address
- Exclusive branding throughout the dinner
- Inclusion in all promotional materials

Report Launches

60 attendees | £5,000 - £7,500 + VAT

Our report launches are an important part of amplifying our policy work. We organise launch events each time we publish a new report and can also organise events for our members. These are smaller events with a much more targeted audience. Depending on the event we can also invite senior civil servants to increase the impact of the report.

For example we launched our report 'Help Industry to Help Net Zero' which gave policy recommendations to help enable industrial electrification in the UK.

Included in sponsorship:

- Keynote address
- Seat on a panel discussion
- Exclusive branding for the event including banners
- Opportunity to publish an op-ed alongside ADE
- Inclusion in all promotional materials

Party Conference Events

10-40 attendees | £5,000 - £10,000 + VAT

Party Conferences are a great way to amplify your work. With all the key players in one place we can help increase your engagement with MPs and senior figures in Government. These events are easily adapted to your needs and prices may vary depending on the scope of the event.

MP - Member panel

We can organise a panel with MPs and members on a specific discussion. Examples include Labour policies on GB Energy, heat network investment & industrial decarbonisation. We can invite an MP from our network who would be most relevant to discussion or cause presented.

Drinks Reception

We can also organise a larger more informal event to engage the energy network and promote crucial discussions. These can be adapted to a particular theme such as 'Bringing Energy Investment to All Corners of the UK' or can be left to suit a more informal networking event.

LCEF Reception - Labour Party Conference

200 attendees | £25,000 + VAT

This is LCEF's third year running flagship reception, which ADE will be sponsoring. Held at a dedicated event space in the heart of the Conference secure zone. Previous events have sold out completely, with waiting lists of over 300 conference attendees. Past keynote speakers include DEFRA Secretary Emma Reynolds and DESNZ Secretary Ed Miliband

Sponsoring the reception through ADE

- A two-hour reception slot, exclusive of set-up with opportunities to invite guests (they will need Labour Party Conference tickets)
- An average attendance of 200 conference delegates, including MPs and members of local government.
- All venue, AV, food and beverage costs, including photography on the day, with photos distributed to all participants as soon as possible after the event
- A spotlight feature in LCEF's Conference Programme advert, as well as inclusion in the fringe guide listings in the print guide
- Banners, social media and promotional material at the conference (Shared with ADE logo)

Strategic Roundtables

15 - 40 attendees | £3,000 - £5,000 + VAT

If you've got a particular policy issue you'd like to raise awareness of, a roundtable can be an excellent opportunity to make some allies in Parliament. These can easily be adapted to your needs and can be held either inside the House of Commons or at an external venue.

Strategic & Advocacy Roundtables

We can organise an MP roundtable on a specific discussion. Examples of previous roundtables include our most recent Consumer-Led Clean Power roundtable

We have over 30 MPs as Vice Presidents with a wide range of interests in our work allowing us to invite the most relevant for your cause, in the houses of parliament and other venues.

Members can offer their offices and event space to host roundtables and receptions too
